Dear Superintendent Ladines:

We are making this communication formal for the attendance of the student-contestants for the **Dance Sports Competition for Elementary Level** and **Eco-fashionista for High School** in the scheduled rehearsals attached herewith:

The competition proper for the event is slated on Friday, 24 October 2014, at the City Gymnasium. We know for a fact that the preparation for the series of rehearsals is limited and students are forced to be absent from their respective classes. More specifically, I was informed about their periodical examination which will fall during the important dates for the technical rehearsals and blockings.

We are therefore seeking your most valuable intercession to allow the student/contestants to be excused from their respective scholastic activities/examinations and if not too much to ask, effect necessary adjustments that might be in conflict with the schedule, until the competition day on October 24.

Thank you very much for always being one with us in our quest to celebrate the Universal Children's Month.

Very truly yours,

LEO PAREDES URMENETA
Supervising Administrative Officer
Executive Director - Local Council for the Protection of Children
