DR. LUZ S. ALMEDA

Regional Director

Dear Dr. Almeda:

This is to cordially invite and encourage you to join the **Cachet Schools Award 2014**, a project of Alalay sa Pamilya at Bayan and I Am S.T.R.O.N.G. – I Keep Love Real program of the University of Asia and the Pacific, which seeks to give public recognition to public high schools who deliberately and effectively nurture character education among the members of the school community, including (first and foremost) the students; teachers, parents, and administrators. A brief on the Award and a Candidate Status Entry Form are attached.

The award is open to all public secondary schools in the Philippines. The **first step** is to fill up the *Candidate Status Application Form*, to officially put you under *Candidate Status*. **Deadline for submission of this form has been set for 28 February 2014.** Those schools whose representatives attended any summit conference on the Cachet Schools Award are especially encouraged to join. Schools among the attendees that have earlier registered are automatically deemed candidates, but should nevertheless fill up the Candidate Status Entry Form for the pre-requisite feasibility study.

We hope you will consider this invitation worth your favor. **Character building in a school set up, especially if this involves all sectors of the academic community, has constantly demonstrated itself to guarantee academic excellence and personal formation effectiveness.** Moreover, apart from the public recognition, winning schools shall be provided complementary means to ensure the realization of their program entry.

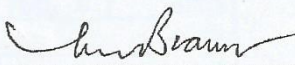

All the best to your undertakings for the school and the larger community!

Please send all your communications to:
