Malabon, Navotas, Caloocan, Valenzuela, Marikina, Rizal, Pasig, San Juan and Mandaluyong cover Rotary International District 3800 for its voluntary humanitarian public service. About ninety (90) Rotary Clubs administratively operate District 3800.

One of the major emphases of Rotary is Youth service. The Interact (school or community based) is the Rotary youth program for ages 12-18. Only a Rotary Club can organize and maintain an Interact Club.

Interact Program is the dynamic Rotary youth organization that fosters leadership challenges, exposures and development. Further, provides the avenue for the young leaders to spouse Confidence and personal growth. Positive values are integrated via the 4-Way Test Rotary credo (that reinforces fairness and raises the curtains for the youth to bank roll academic performance and goodwill).

The eight (08) MANDALUYONG Rotary Clubs (in cooperation with the public high school facilities in MANDALUYONG) have successfully mentored, supervised, guided and assisted the MANDALUYONG Interact Clubs over the past several Rotary years.

The District Interact Committee (DIACOM) is pleased to inform your good office that MANDALUYONG Rotary and Interact Clubs have jointly sponsored several projects for the youth. We now share One Advocacy. We are all collectively responsible for building One Philippines.

It is on this note that DIACOM humbly requests your good office to endorse, (if not, to further endorse) the Interact Program in the Division. With this positive endorsement DIACOM feels Interact will further inspire the Youth (in cooperation and collaboration with the School Administration) to be productive members of society.

Thank you.

Respectfully yours in Rotary,

Emmanuel E. Tamayo
