Dear Sir;

Greetings of success!

The Mother of Perpetual Help School, Inc. is a Catholic non-sectarian institution presenting different types of scholarship we would like to offer for our below/average neighbors. We deeply understand that it is really hard to support education if there is a financial crisis suffering by each family. Moreover, we have thought to offer help to some of our neighbors to receive quality but low fee education.

Here are the scholarships offered by Mother of Perpetual Help School;

### Types of Scholarships

The right scholarship can set a grade school/high school-bound student on the road to success. Scholarships provide much needed financial aid, as well as a certain degree of prestige, for the student honoree. It is a common misconception that scholarships are only available to students with the highest GPA or the most impressive sports record. There are scholarships out there for all types of students. The secret is to know what kind of scholarships is available, and where to look for them.

Let's take a moment to consider the different types of scholarships that are available to the right grade school/high school-bound student.

### Academic Scholarships

Academic Scholarships, one of a number of high profile merit scholarships, are awarded to students who have demonstrated an outstanding history of academic achievement. These scholarships are awarded to students with the most exceptional GPA, most impressive series of extracurricular activities and a history of public service.

Academic Scholarships typically have substantial financial payouts, and confer a certain level of prestige on the recipient. They can also be beneficial after college as an introduction into the business world, and as a way of making a solid resume even more attractive.

These scholars can receive **100% FREE TUITION FEE** with maintaining GPA: 88% and at least 80% each course.

### **Average Academic Performance Scholarships**

Top level academic scholarships may seem out of reach, but that doesn't mean their aren't scholarship opportunities available to the average hard-working grade school/high school student. Not by a long chalk. Average Student Scholarships do take a students academic record into consideration, but they also give weight to a student's community service, leadership qualities and the strength of their test scores and contest essays. Average Academic Performance Scholarships also look at a student's other school activities such as sports, art and music.

These scholars can receive **50% LESS from TUITION FEE** with maintaining GPA: 85% and at least 80 % each course.

### **Athletic Scholarships**

Athletic scholarships are one of the most highly visible, and fiercely competitive, merit scholarships available. Students hoping for an athletic scholarship have to demonstrate both a high level of ability in their sport of choice, as well as a solid academic background.

The available sports offered by the school are Volleyball men and women and basketball men.

These scholars can receive **10% to 20 % less from the TUITION FEE** with maintaining grade of minimum 80% each course.

### **Creative Scholarships**

The Arts are a large part of modern life in Philippines, and while they not be as highly visible there are still plenty of creative scholarship opportunities available for the artistically inclined student. These scholarships are highly competitive, and applying students have to present samples of their artwork to be considered. Art scholarships will require a portfolio be submitted, while music scholarships and other performance based art forms will require an audition by tape or in person.

Whatever your artistic passion, there is likely to be an applicable scholarship.

These scholars can receive **50% LESS from TUITION FEE** with maintaining GPA of 80% each course.

**REQUIREMENTS:**

- Birth Certificate Xerox (show original)
- Baptismal Certificate Xerox (show original)
- 1 x 1 ID picture white background (2 pcs.)
- Income Tax Return Certificate if Parents are employed./ Certificate of Indigence if not employed
- With Community Interview (CI)
- Applicant must pass the screening and entrance exam.

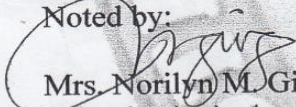

We are looking forward to your affirmative endorsements and partnership with our school.

Thank you and God bless!

Respectfully yours,

  
Mrs. Madilen L. Español  
Assistant Principal
