Dear Sir/Madam:

Greetings once again from the Philippine Science High School – Main Campus!

Anent to our previous letter dated 2 June 2014 as regards the PSHSS National Competitive Examination, or NCE, we would like to set a small booth within the school premises of public elementary schools in your division to distribute and collect NCE application forms. We would appreciate it very much if the schools may accommodate us and provide us with a space near the entrance so we may have contact with as many students and parents as possible.

We shall be sending a small team of staff to undertake this activity. Our target dates for the visits are June 2 to August 8, 2014. The deadline for application is on August 15, 2014, while the NCE itself is set on October 4, 2014.

We hope we may count on your support and cooperation.

Thank you.

Very truly yours,

VIRGINIA P ANDRES
Campus Director

Dear Sir/Madam:

The National Competitive Examination, or NCE, of the Philippine Science High School System (PSHSS) is a much anticipated event among our grade school students. Every year, more than 20,000 hopeful students apply for and take the NCE for the opportunity to attend one of the best public science high schools in the country.

The PSHS is a government scholarship school for students with a high aptitude in the Sciences, Mathematics and Technology. It offers free tuition, a stipend, free loan of available textbooks and other allowances if applicable.

Our teaching and non-teaching staff shall make the rounds of elementary schools on a nationwide caravan, inviting students to apply to the PSHS. More importantly, they will entertain any queries students and their parents may have about the NCE and/or the PSHS.

May we request your assistance in this activity? We shall be sending a small team of staff to distribute and collect NCE application forms at schools under your supervision. We hope that the Principals at those schools may assist us.

Our target dates for the visits are June 2 to August 8, 2014. The deadline for application is on August 15, 2014, while the NCE itself is set on October 4, 2014.

We hope we may count on your support and cooperation.

Thank you.

Very truly yours,

VIRGINIA P ANDRES
Campus Director
