All Education Program Supervisors

Dear DIR. ALMEDA:

The Department of Education is sincere in improving the Philippine Educational System. As a major step toward this end, the year 2012 saw the implementation of the K to 12 Curriculum for the Formal Basic Education and this does not preclude the review of the Alternative Learning System (ALS) Curriculum. The upgrading of the ALS Curriculum, however, needs baseline data to warrant the revisions that must be done. *A Tracer Study of the ALS A&E Test passers from 2011 to 2012 shall be undertaken.* The data from this study shall provide the basis for the enhancement of the ALS Curriculum.

May we therefore request the assistance of all the ALS Education Program Supervisors in your Region to submit ten (10) names of test takers who have successfully passed the A&E Test from 2011-2012 either employed or enrolled in higher education institutions here and abroad. Enclosed is a format to be accomplished by the ALS Supervisor to be submitted on or before June 19, 2014, through balsced2011@gmail.com.

Thank you for your continued support to ALS Programs and Projects.

Very truly yours,

SEVILLA A. PANALIGAN
OIC, Office of the Director IV-BALS
