**MR. LITO CINCO**  
Y-JAM Adviser  
City of Mandaluyong

Dear Mr. Cinco:

This office extends its appreciation and support to the programs and activities of the Young Journalists Association of Mandaluyong (Y-JAM). As I see it, the youth are being developed as responsible and productive leaders in the future.

As reflected in the lists of activities to be conducted, there are some which are scheduled on week days. May I reiterate my first stand that this office interposes no objection provided that the **"No Disruption of Classes Policy"** and **"Time-On-Task"** be strictly observed. One thing more, parent's permit must be required for the student's safety.

May I also request that all communications be coursed to this office for proper dissemination to the school heads.

Aside from these, since lectures are conducted on Newswriting, Sports Writing and Editorial Writing in preparation for the Regional and National Press Conference, School Paper Advisers are suggesting that speakers/lecturers must come from the broadsheet newspaper staff because their styles/techniques in writing are adopted during the said competitions.

I am looking forward for a more productive working relationship for the sake of the youth.

Very truly yours,
