Dear Sir/Madam:

Enclosed is a letter dated June 25, 2014 from Ruben S. Siapno, MD MPH, Project Leader, Department of Health, National Capital Region, regarding Project 1: Development of School-Based Dengue Early Warning System in the National Capital Region: Implementation for Pro-active Dengue Control and Project 2: Fever as an Early Warning Tool for Dengue, in coordination with the Philippine Council for Health Research and Development (PCHRD), and the Department of Science and Technology (DOST) in 56 selected public elementary and high school, the content of which is self-explanatory, for information and guidance.

Very truly yours,

PONCIANO A. MENGUITO
Schools Division Superintendent
OIC, Office of the Assistant Regional Director
Officer-In-Charge

Date: _____
Time: _____

Dear Dr. Almeda:

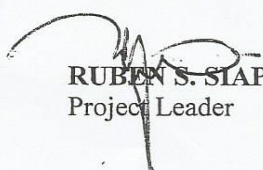

The **Center for Health Development – National Capital Region (CHD-NCR)**, **Department of Health (DOH)**, in coordination with the **Philippine Council for Health Research and Development (PCHRD)**, **Department of Science and Technology (DOST)** is currently conducting a study entitled, **“Development of School-based Dengue Early Warning System in the National Capital Region: Implementation for Pro-active Dengue Control Project 2: Fever as an Early Warning Tool for Dengue.”** The study is currently implemented in the whole Region, focusing on 56 selected public elementary and high school in each Barangay for dengue cases. The objectives of the study are to: (1) determine the proportion of dengue cases among hospitalized school children with fever in Metro Manila, (2) define the accuracy of clinical diagnosis of dengue/dengue hemorrhagic fever, (3) describe the prevailing dengue serotype and correlate with the increase of cases, (4) and find out if there is a relationship between mosquito density and incidence of dengue.

In this regard, may we request for your support and guidance in advocating this project’s objectives to the parents/guardians of the school children from the 56 selected public elementary and high schools during their next Parent-Teacher Association (PTA) meeting through our Project Staff Level 2’s (PSL2s). Please see attached list of study sites for your information and perusal.

Our Project Staff will be coordinating to your office at your most convenient time. Likewise, for further information and concerns, please feel free to contact **Ms. Ninia Ollodo, RN**, Research Assistant, at 09162751003, **Mr. Prince Andrew Olifernes, RN**, Research Assistant, at 09359111207, **Ms. Patricia Anne Estrada, RN**, Science Research Specialist at 09155489912/09233757160 or **Ms. Milagros T. Reyes, MBA**, Head, Health Research Unit, at telephone number 531-0037 local 104-106.

Your continued support on the implementation of this project is highly appreciated. Thank you and God Bless!

Very truly yours,

RUBEN S. SIAPNO, MD, MPH
Project Leader
