Dear **Ma'am**,

Warm greetings from **Philippine Red Cross – Rizal Chapter-Mandaluyong City Branch!**

The Philippine Red Cross is a non-stock and non-profit organization that aims to alleviate human suffering by providing aid to the most vulnerable of our citizens through humanitarian services. We cater to the needs of patients who require blood in order to extend their lives. We also equip the public to better handle emergencies and disasters through our health and safety training programs and welfare assistance programs.

In support to the efforts of the PRC, former President Corazon Aquino issued Proclamation 12 authorizing the nationwide membership and fund campaign of the PRC from the year 1986 and every year thereafter. This proclamation enjoins all citizens and residents of the Philippines regardless of nationality or creed, to give generously and participate in this humanitarian endeavor. This proclamation further authorizes all national and local officials to take the initiative and assume active leadership in the Red Cross.

As an organization of people helping people, Red Cross depends solely from public support for its existence. **We appeal for your support by endorsing thru a Memorandum in support to our membership campaign. All Students, Faculty members, Non Teaching Staff, Parents, Friends and relatives are welcome to be enroll. The PRC Membership Accident Assistance Benefit will help generate significant amount of funds that will sustain the humanitarian efforts of the PRC.**

Their membership which serves as their donation to the Red Cross provides them accidental assistance benefits and gives them priority access to the organization's blood supply and entitles them to participate in the various Disaster Management and Leadership Training of the Red Cross either for free or at discounted rates. Other services, on the other hand, require fees to augment direct operational costs.

Should you have any queries regarding this project, you can have your staff call our office at **Tel No. 571-9894 / 986-9952** and look for **Ms. Jenrose C. Menesis** our Chapter Service Representative for Fund Generation.

We can make great strides when we support and believe in each other, across all our differences.

Your partner in humanitarian service,

Robert R. Dacles
Branch Staff in Charge
