DIVISION OF CITY SCHOOLS	
RECEIVED	
By: <u>Malou</u>	
Date: <u>24 SEP 2014</u>	
Time: <u>9:45 AM</u>	
MANDALUYONG	

We recognize that our OL Trap Program entitled "**Dengue Vector Surveillance Website**" would not have been as successful without the support of our partners-the Department of Health, the Department of Education, and the participating schools and Local Government Unit (LGUs)

With this, we will be giving award to our "**Best Ovicidal / Larvicidal (OL) Trap Implementor**" in NCR. By giving out this recognition, we hope to promote wider support for the program as well as better awareness of dengue vector health risks, dengue mitigation procedures, and dengue fever prevention.

The finalists to the award will be selected based on the following criteria:

- At least 90% of the participating schools have reported their data and reflected in the dengue website (<http://dengue.pchrd.dost.gov.ph> or www.dengue.ph);
- Complete hardcopies of the data had been submitted to DOST-NCR, DepEd Division Office (for validation purposes);
- Impact of implemented project in the school/reduction in dengue cases in the school;
- Introduced new or improved systems/procedure that made the program more efficient /effective;
- Provision of appropriate intervention in the school and the LGU to control mosquito density; and,
- Linkages initiated with local community/individuals.

Please note that we plan to have the awarding ceremonies in December 2014 as the highlights of the annual conference on DOST-NCR program and projects.

For inquiries you may contact Jaime M. Sebastian, Jr. or Ms. Elvin Almazar through the telefax: 837-31-82, 837-20-71 local 2018 or through email dostncr@yahoo.com.ph

Thank you.
