MS. NERISA L. LOSARIA
Officer-in-Charge, Office of the SDS
Division of Mandaluyong City, Department of Education
Highway Hills, Mandaluyong City

Dear Ms. Losaria:

Greetings from Knowledge Channel Foundation, Inc.!

We are pleased to inform you that selected schools in the Division of Mandaluyong City will be visited this month by Knowledge Channel for the "Global Handwashing Day Campaign" in partnership with Unilever. Knowledge Channel has partnered with Unilever since 2011 to promote hand washing with soap as we believe that hand washing with soap is the most effective and inexpensive way to prevent diarrhea and acute respiratory infections. We would like to encourage our students in the public schools to make hand washing with soap a habit to prevent diseases.

We will start the delivery of Vaseline soaps, flyers, posters and tarpaulins to the selected schools on September 25, 2014. We will conduct the launching of the "Global Handwashing Day Campaign" on October 15, 2014. We request the Mandaluyong Elementary School to be our host school for the event.

We would like to request from the different school heads to facilitate the distribution of soaps and flyers to the students and the posting of posters and tarpaulins in their campuses. We would like also to request the teachers to teach their students the proper way of hand washing following the steps printed on the posters.

Thank you very much for your usual support.

Sincerely yours,

RONALD D. DUGANG
Head
Organizational Development &
Community Engagement
