MEMORANDUM
No. 209 s. 2014

**REGIONAL SEARCH FOR THE MOST EFFECTIVE
PUBLIC ELEMENTARY SCHOOL IN MATHEMATICS**

To: Schools/City Division Superintendents

1. The Elementary Education division, NCR will conduct the 2nd Search for the Most Effective Public Elementary School in Mathematics this school year 2014-2015. This project is to upgrade the elementary schools, and to attain excellence in elementary education.
2. This Search Project will start on October, 2014 and ends on December 14, 2014 and will be conducted yearly. Its aim is to identify and give recognition to public elementary schools with good academic performance thus promoting quality education in Mathematics and to schools with good and functional Learning Resource Center, which serves as a laboratory / practicum area or a place where pupils can stay during their free periods doing calculation/measuring/comparing and solving Math exercises/investigations.
3. Entries to this project will be categorized into Central and Non-Central schools. The winners for each category will be selected from the division entries. Each division is entitled to one (1) entry for Central and one (1) for non-Central schools. The entries will be evaluated by a Regional Team of Evaluators and the highest ranking Central and Non-Central schools will be adjudged as the "Most Effective Public Elementary Schools in Mathematics 2014-2015.
4. The winners in both categories will receive a Plaque of Recognition. There will also be first and second runners-up for both categories.
5. Every performing public elementary school is encouraged to join this Search Project. The school officials are enjoined to give this activity the widest publicity and support. Enclosed are the criteria for evaluating the search.
