Dear **Dr. Losaria**:

The country will be celebrating the Deaf Awareness Week (DAW) on November 9- 16 this year with the theme: "Healthy Ear: Advocacy and Responsibility." This is pursuant to Presidential Proclamation 829.

The celebration is being spearheaded by a National Working Committee chaired by NCDa in partnership with Organizations of and for Persons with Disabilities (PWDs), National Government agencies and Local Government Units which include the City of Mandaluyong.

One of the activities lined up for the week is the **Trade Fair of Products of Persons with Disabilities on November 10 – 14, 2014** at the City Hall grounds.

In line with this, we would like invite your selected Special Education students and Teachers from the different Special Education schools to be the Exhibitors of the Trade Fair and showcased their products.

Thank you very much and hoping for your usual support to this great endeavor.

Cordially yours,

WENNAH MARQUEZ
 Chief
