**WE MAKE SCIENCE
CLUBBING FUN.**

October 29, 2014

DR. LUZ S. ALMEDA
Regional Director
Department of Education NCR

Dear Dr. Almeda:

Greetings from the Science Clubbing Movement!

The **Philippine Society of Youth Science Clubs (PSYSC)** is a national organization devoted in promoting scientific interests and environmental and social awareness among our youth. On its 43rd year of existence, PSYSC keeps on providing quality and relevant events that caters to elementary and secondary education.

On December 16-19, 2014, we will be conducting the **2014 National Children's Science Interactive Workshop (NCSIW 2014)** in Villa Alfredo's Resort, San Fernando, Pampanga with the theme "**ENGINEIUM: Transforming the City of Zepherus**". This year's NCSIW will focus on the fundamental principles, current trends and breakthroughs in the field of Engineering. NCSIW 2014 also aims to promote research and development among elementary students by exposing them to engineering as a field of study and a possible career path. Other events that will be included are series of lectures and workshops, field trips and other educational and fun-filled activities.

We believe that Engineering is a very important topic for the children because at an early age, they start asking the how's and why's of things around them. As young as they are, we want to help lay a good foundation in science by igniting their interest in a field such as engineering. Provided the right encouragement and tools, we hope for NCSIW 2014 to foster students' interest in engineering careers and motivate them to consider pursuing engineering degrees in the future. Hence, we request your kind office to support us in our endeavor to empower the youth in science and technology through disseminating this information through advisories and endorsement to schools in your region. We have attached the materials needed for your reference.

We are hoping for your positive response. Should you have questions, please do not hesitate to contact us through the numbers indicated below. Please allow us to follow up on this matter.

Thank you very much and more power!

In the Service of the Filipino Youth,

NISSI ABIGAIL BUENAOBRA
Director
NCSIW 2014

EGBERT M. AMONCIO
President
PSYSC National Executive Council

DR. MANOLO G. MENA
Chairperson
PSYSC Board of Trustees

DepEd Advisory No. 406, s. 2014
October 23, 2014

In compliance with DepEd Order No. 8, s. 2013
*this Advisory is issued for the information of DepEd officials,
personnel/staff, as well as the concerned public.
(Visit www.deped.gov.ph)*

2014 NATIONAL CHILDREN'S SCIENCE INTERACTIVE WORKSHOP (NCSIW)

The Philippine Society of Youth Science Clubs (PSYSC) Inc. will hold its 2014 *National Children's Science Interactive Workshop (NCSIW)* with the theme *Enginium: Transforming the City of Zepherum*, from December 16 to 19, 2014 in Pampanga.

The Workshop aims to:

1. focus on the fundamental principles, current trends and breakthroughs in the field of engineering; and
2. promote research and development among elementary pupils by showcasing inventions and discoveries of budding student-engineers who are critical thinkers.

The target participants are pupils and teacher-advisers from both public and private elementary schools.

Participation of both public and private schools shall be subject to the *no-disruption-of-classes policy* stipulated in DepEd Order No. 9, s. 2005 entitled *Instituting Measures to Increase Engaged Time-on-Task and Ensuring Compliance Therewith*.

The deadline for submission of forms is on *November 14, 2014*.

REGIONAL DEPED MEMORANDUM

No. , s. 2014

**SUBJECT : 2014 NATIONAL CHILDREN'S SCIENCE INTERACTIVE WORKSHOP
(NCSIW 2014)**

**TO : School Superintendents
Heads, Public and Private Elementary Schools**

1. **The Philippine Society of Youth Science Clubs, Inc. (PSYSC) announces its 2014 National Children's Science Interactive Workshop (NCSIW 2014) for elementary school students which will be held on December 16-19, 2014 in Villa Alfredo's Resort, San Fernando, Pampanga.**
2. PSYSC is a national organization that promotes the public understanding of science, technology and the environment. It supports science and technology education through lectures and seminars and interactive activities for students and teachers.
3. Equipped with the theme, "**ENGINIUM: Transforming the City of Zepherum**", this year's NCSIW will focus on understanding the fundamental concepts and current trends and breakthroughs in the field of **Engineering**. NCSIW 2014 also aims to promote research and development among elementary students by showcasing inventions and discoveries of budding student engineers critical thinkers. Other activities that will be featured are series of lectures and workshops, exposure trips and other educational and fun-filled activities.
4. Each science club may send elementary school students accompanied by their teacher-adviser. Enclosed are the guidelines and information regarding NCSIW 2014.
5. **The registration is Php 5,000 for PSYSC affiliated schools and Php 8,000 for non-affiliated schools.** This is inclusive of NCSIW kits, shirt, educational trip expenses, insurance, board and lodging from dinner of December 16 to breakfast of December 19. The registration fee, travel expenses and other incidental expenses to this activity are chargeable against local school funds, subject to availability and the usual accounting and auditing rules and regulations. The organizers will not shoulder the accommodations of the delegates who will be staying beyond December 16-19, 2014.
6. Participants are expected to bring their own beddings, towels, toiletries, working clothes and rubber shoes (t-shirts, shorts, pants, comfortable clothes), all white outfit for the Pledge Night, native delicacies with containers for Pasalubong Festival, drinking water containers, mosquito lotion and personal medicines or other needs for allergies or other medical conditions.
7. **Deadline of submission of registration forms is on November 14.** A reservation fee of **Php 750** (deductible from registration fee) is required and is payable at Landbank of the Philippines account number 0702-1020-65 or remitted through Postal Money Order (PMO) payable only to the Philippine Society of Youth Science Clubs. Reservation fees may be paid until November 14, 2014.
8. The organizers reserve the right to accept or reject registration of participants.

9. For further information, please contact the PSYSC National Office, Unit 703, West Mansions Condominium, Nayong Kanluran, Quezon City 1104, with telephone number (02) 263-1358 and telefax (02) 332-8151 or at the email address (mail@psysc.org).
10. Immediate and wide dissemination of this memorandum is earnestly desired.
