Dear Dr. Almeda,

The Asian Psychological Services and Assessment Corporation (APSA) will be sponsoring the 14th Annual Convention of the School Counselors' Circle of the Philippines (SCC, formerly Guidance Counselors' Circle Inc.) on December 1-2, 2014 at the Century Park Hotel, Ocampo St., Malate, Manila.

The Guidance Counselors Circle Inc. was formed in partnership with APSA to respond to emerging issues and problems in School Counseling. With this year's theme, "**Going Beyond Borders: Transformed School Counselors Using Standards- Based Programs**" lectures and workshops will be conducted by leading counselors to help school counselors prepare to meet the challenges posed by the K-to-12 program and the upcoming ASEAN 2015.

Dr. Carol Dahir, professor and chair of the School Counseling Department of New York Institute of Technology will give the keynote address and will conduct lectures and workshops on Becoming a Culturally Competent School Counselor.

In this regard, we would like to appeal to your office for an endorsement of this conference. We are certain that the insights gained from this convention will contribute to the success of educational institutions. Effective operations of educational institutions will certainly redound to increased student achievement, an educated workforce, and a strong nationhood. We look forward to a strengthened collaboration between Asian Psychological Services and Assessment Corporation and DepEd.

Attached is the brochure for more details of the convention.

Thank you very much.

Very truly yours,
