Dr. Marilyn Dimaano
Director IV
Department of Education
Meralco Ave., Pasig City

Dear Dr. Dimaano,

Greetings from Parents Advocate for Visually Impaired Children, Inc. (PAVIC)!

It is a pleasure to write you in behalf of PAVIC, as advocates for a bright future for our children with visual impairment. Over the years PAVIC has made tremendous strides in the education of our children and raising awareness about the great ways that children with disabilities can participate in society, and one way is engaging these children in sports activities.

On March 6, 2015, PAVIC will be hosting its 7th VISTA. This multi-sport event, involving athletes with a range of physical disabilities, mostly children with visual impairment will be held at the Marikina Sports Complex from 5am-5pm. This event includes running, swimming, goal ball, show down, standing long jump, shot put, chess, and indoor games. We anticipate at least 700 participants will be present, including 200 visually impaired children from different schools in Metro Manila and Regions II, III and Region IVA, along with their parents, guests from local government offices and media representatives. The event will be an important opportunity for people to see what children with visual impairment can achieve in Sports activities.

In line with this activity, we seek the support of the Department of Education by allowing the children with visual impairment and their SPED teachers to participate in said event on March 6, 2015 Friday, and on January 31, 2015, for the VISTA Orientation to be held in Ponciano Bernardo Elementary School in P.Tuazon, Barangay Kaunlaran, Cubao, Quezon City, from 8am to 11am. The PUP Physical Education Graduate School and Undergraduates will be partnering with us as Game Officials.

Ms. Mary Grace F. Torres and Ms. Maria Rowena R. Fernandez are available to answer further questions you might have about this exciting event. You may email Ms. Torres at gracetorres_02@yahoo.com, contact no 09428427238 and at Ms. Fernandez fernandezweng29@yahoo.com, contact no. 09228373684 Our office number is (02) 7271301.
