DR. NERISSA L. LOSARIA
Schools Division Superintendent

Division of City Schools
Highway Hills ES, Calbayog St.
Mandaluyong City

Dear **Dr. Losaria**,

Greetings from *Teach For the Philippines*.

We write to you today with regard to *Teach for the Philippines Week Flipped*, an enrichment program of our organization slated to take place on January 26 to January 30, 2015. This event is a partner of *Teach for the Philippines Week*, which took place on September 15 to September 19, 2014.

Teach for the Philippines Week showcased the work that is being done at your schools. This activity highlighted achievements in our partner schools, as well as gave our supporters a chance to interact with some of the students in the classroom. We had invited several leaders from various fields, such as business, government, and entertainment, to come in and teach a class with one of our Fellows at your schools.

During *Teach for the Philippines Week Flipped*, schools will have the chance to interact and learn from leaders by visiting our supporters and chosen champions in their place of work, and spend time with them learning about their field. **This year, our partner schools will be visiting educational locations like De La Salle University-Manila, the Meralco Museum and world-class facilities like the DHL Global Forwarding Office in Newport City, to name a few.**

These learning excursions take place during non-school hours. Through the generous support of leaders in several companies and organizations, the cost of this enrichment program is covered.

Please do not hesitate to call me at (02) 808-8837 to let me know if you have any questions. Thank you for your attention and we are grateful for your support.

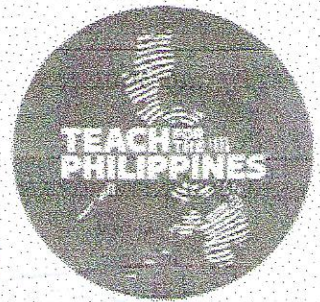

Sincerely yours,

Clarissa Isabelle Delgado
