Subject : **FINAL SCHEDULE OF GRADUATION EXERCISES
FOR S.Y. 2014-2015**

This is to inform the field of the attached "*Final Schedule of Graduation Exercises for S.Y. 2014-2015*", for information of all concerned.

In line with the government's austerity program, this Office reiterates the Department's policy on the conduct and 'no collection of fees' for graduation ceremonies as contained in DepEd Order No. 9, s. 2014 to wit:

- a. Public school heads, teachers and other DepEd personnel are **not allowed** to collect graduation fees and must not use these fees for clearance purposes. Likewise, school heads must ***regulate the cost of picture-taking and other related expenses***;
- b. PTA may give voluntary donations in cash or in kind, however, school heads, teachers and non-teaching personnel should not be involved in the collection. Use of such donations for graduation shall be coordinated with and properly reported to the PTA members;
- c. No non-academic projects, JS Promenade or other events shall be imposed as a requirement for graduation;
- d. No extravagant special attire or extraordinary venue for the ceremonies showing splurging and display of pageantry; instead civic duties, sense of community and personal responsibilities must be showcased; and
- e. Contributions for the annual yearbook shall likewise be on voluntary basis on the part of the parents.

All school heads, teachers and non-teaching personnel who will be reported to be involved in the collection of graduation fees and any other graduation-related collection shall be made to explain to this Office. We expect that in view of the downloaded additional MOOE for student graduation expenses, there shall be no collection anymore from parents and students.

Furthermore, graduation should be conducted in modest and solemn ceremony befitting the graduating students and their parents and shall not in anyway be used as a venue for political forum.

School heads will be accountable to all reported collections.

The Education Program Supervisors, Division Coordinator and Public Schools District Supervisor will monitor pre-graduation activities and processes.

For information, guidance and strict compliance.
