DR. NERISSA LOSARIA
Superintendent
Division of City Schools

Attention : Mr. Rex Ado

Dear Dr. Losaria :

I am pleased to inform you that the annual Cultural Lenten Exhibit of the City of Mandaluyong dubbed CAROZZA will open this coming Monday March 16, 2015 at the Mandaluyong Gymnasium and will run until March 20 Friday . The exhibit features close to 100 lenten images and carozzas usually seen only during lenten processions.

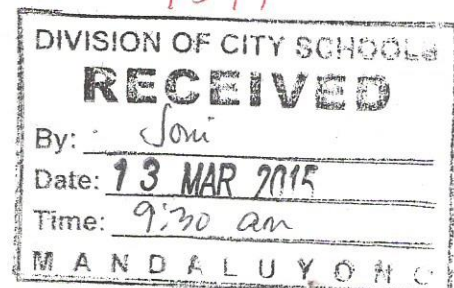

It is open **FREE** to the public from 8:00 am to 8:00 pm most especially to high school students for their "arts and culture appreciation" . No less than Mayor Benhur Abalos instructed me to see to it that ALL our students in ALL our high schools will be able to see this once in a year cultural activity.

As such may we request your good office to instruct all our principals to see to it that all our high school students will be able to go to the Mandaluyong Gymnasium any day from March 16-20 during their free time and without disrupting their classes. Those students with afternoon classes can visit the exhibit in the morning, while those with morning classes can see the exhibit in the afternoon.

Should you have any question or further queries you can reach me at the Office of the Mayor at 532-2332 . Thank you very much for your support to the arts and culture.

Very truly yours,

Nolan V. Angeles
Cultural Affairs and Tourism Officer

- Principals decision is still the final decision.
- Principals have the liberty to change their schools assigned date depending on their own valid reasons
- This is just a guide so that we can avoid “congestion” of students / people viewing the exhibit at a given time and day
- Much as this exhibit features “religious or lenten images, this is purely an “arts and culture” appreciation activity
- This is NOT a religious event and should not interfere with any individuals religious belief
