PHILIPPINE SCIENCE HIGH SCHOOL – MAIN CAMPUS
OFFICE OF THE CAMPUS DIRECTOR
Agham Road, Dilliman, Quezon City 1104

5 August 2015

Dr. LUZ S. ALMEDA
Regional Director IV, Department of Education
National Capital Region

Dear Madam:

The National Competitive Examination, or NCE, of the Philippine Science High School System (PSHSS) is a much anticipated event among our grade school students. Every year, more than 20,000 hopeful students apply for and take the NCE for the opportunity to attend one of the best public science high schools in the country.

The PSHS is a government scholarship school for students with a high aptitude in the Sciences, Mathematics and Technology. It offers free tuition, a stipend, free loan of available textbooks and other allowances if applicable.

Our teaching and non-teaching staff shall make the rounds of elementary schools on a nationwide caravan, inviting students to apply to the PSHS. More importantly, they will entertain any queries students and their parents may have about the NCE and/or the PSHS.

May we request your assistance in this activity? We shall be sending a small team of staff to distribute and collect NCE application forms at schools under your supervision. We hope that the Principals at those schools may assist us.

Our target dates for the visits are August 10-24, 2015. The deadline for application is on August 24, while the NCE itself is set on October 4, 2015.

We hope we may count on your support and cooperation.

Thank you.

Very truly yours,

VIRGINIA P. ANDRES
Campus Director
