Dear Ma'am:

I am currently conducting a study entitled "***Understanding and Implementing Differentiated Instruction in Social Studies in Relation to Student Performance in Grade 7 - 10 among Secondary Public Schools in Mandaluyong City***", as my Masteral Thesis for the degree of Master in Educational Management. In this regard, may I ask permission to conduct survey to secondary social studies teachers of the following schools: *Addition Hills Integrated School, Andres Bonifacio Integrated School, Bonifacio Javier National High School, Eulogio Rodriguez Integrated School, Fabella High School, Highway Hills Integrated School, Ilaya Barangka Integrated School, Isaac Lopez Integrated School, Mandaluyong City Science High School, Mandaluyong High School and Mataas na Paaralang Neptali Gonzales High School*. The result of the said survey will measure the understanding and implementation of teachers in teaching using differentiated instruction. Also it will provide additional information on how to implement DI in teaching social studies.

Your approval will help the researcher to pursue into the next step of this research.

I am hoping for your kind consideration and support, Thank you very much. More power and God Bless!

Very truly yours,

EDGARDO T. SAMMAD JR.
